

لمحات عن سورة الزمر Suratul Al-Zummer 39 overview

August 2019 – Highlands Masjid, 6 Highlands Court, B90 4LE

What will suratul AL-Zummer be teaching about:

v1-3 The book from Allah to:

Worship Allah sincerely

Say no to Idols & Statues

Say no a son to Allah

v4- 5 Remember: Allah created the havens & earth & made variations of day & time, created you & your mate at soul level, created types of animal

v6-8 Allah allows unbelief to exist so freedom of choice is preserved but those who don't believe still beg Allah when in difficulty.

v9-10 the intelligent person is in continuous worship and will immigrates if forced not to.

v11-20 (Muhammad to say): My instruction is to worship Allah alone and I am told of punishments to those who disbelieve and rewards to those who do believe.

v21 if you still don't believe have a second look and now on "water".

v22 How could you accept Islam without effort?

v23- How would you know that you are a Muslim now: read the Quran and observe its effect on you?

v24- Advice: don't wait till you use your face to protect yourself from the flames of fire.

v25-29: still not convinced: study history – truth in the Quran – compare being a accountable to multi masters or just to one.

v30- 35 People arguments will not end; it will stretch till next life: liars will never be treated like truthful people.

v36-37 never fall victim to unbelievers threats.

v38- Allah repeats the challenge: who created it all? Who needs who? Whom I should be afraid of?

v39-40 Still refuse to believe? Okay; you go your way and I go mine and will see who was right

v41-42 You have a guidance to believe in life after death from the Quran and from Death that you experience every time you sleep and you only benefit or harm yourself.

v43-48 If you die without believing? Sorry; no intercession accepted next life.

v49-52 "Muhammad": Just observe how they react in good time and in bad one and how Allah dealt with them.

v53-61 For those who change their mind: Make use of Allah's unlimited amnesty & the way is: repent, follow the guidance, be quick to avoid regrets: punishment could be sudden and you wish you have been guided and start wishing you can have a second chance. Enough warning has been given but arrogant never learn.

v62-75 (End) In Summery:

Allah created every thing

Allah in charge of every thing

Just worship and thank

Never underestimate Allah

When the trumpet blown & next life starts: Judgement will take place from prophets' level down. Unbelievers will be lead to hell in groups and admit defeat and believers will be lead to Paradise in groups and thank Allah.

Final scene: Angels praising Allah by the throne.

Allah knows best
